

Industrial Rubber and Supply Co.

Specializing in Industrial Rubber Products
Conveyor Belting • Sheet Rubber • Custom Fabrication

Over 40 years combined fabrication experience.

Conveyor Belts, V-Belts and Custom Fabrication

- Linatex covered feed belts and flat belts.
- Rough-top covered V-belts and flat belts.

- Buna-N, neoprene and sponge covered timing belts.
- Linatex covered timing belts and V-belts.

- Light-duty flat conveyor belting.
- Printers elastic tape (PET belt), HNI-5P, HAM-5P, XH-500, S-2, T-2 and folding carton belts.

- Large inventory of incline rougtop, pebbletop, steep grade, diamond top, check-out, Z-top and many more.
- Food handling belts (FDA and USDA approved).

- Hose and tubing in PVC, silicone and nylobrade.
- Many diameters in stock.

Round Belting, Vulcanizing and Plastic Belting

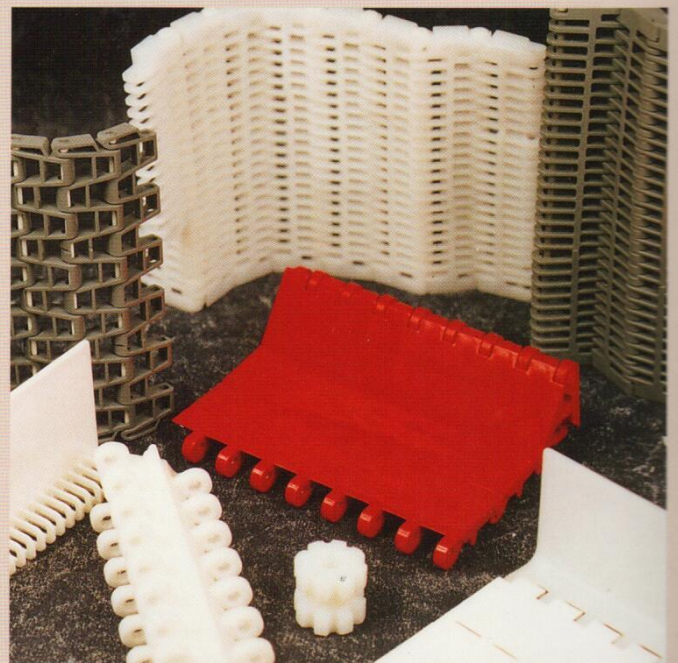

- Urethane belting stocked in numerous colors, sizes and shapes (Vee, round and flat).
- Quick fix belt and capper rings.

- Thermoplastic material for pulley sleeves, cones or chutes.
- Custom made to your specifications.

- Hot and cold vulcanization.
- Lap, finger and finger-over-finger splicing.

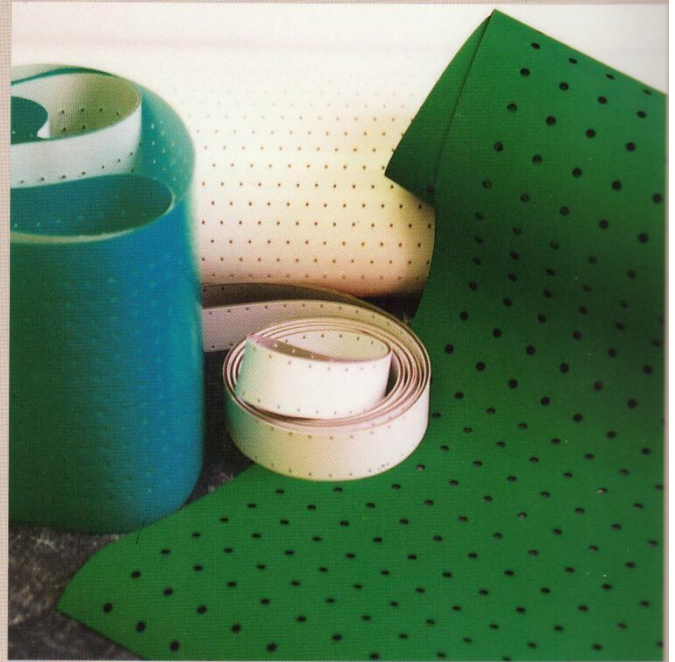

- Plastic modular belting withstands temperatures from (-40° to +450°F).
- Cleats and sideguards — sprocket driven for easy tracking.

Lacing, Sheet Rubber and Timing Belts

- Stainless steel, galvanized and plastic lacing.
- Clipper, Alligator and Flexco lacing and tools.

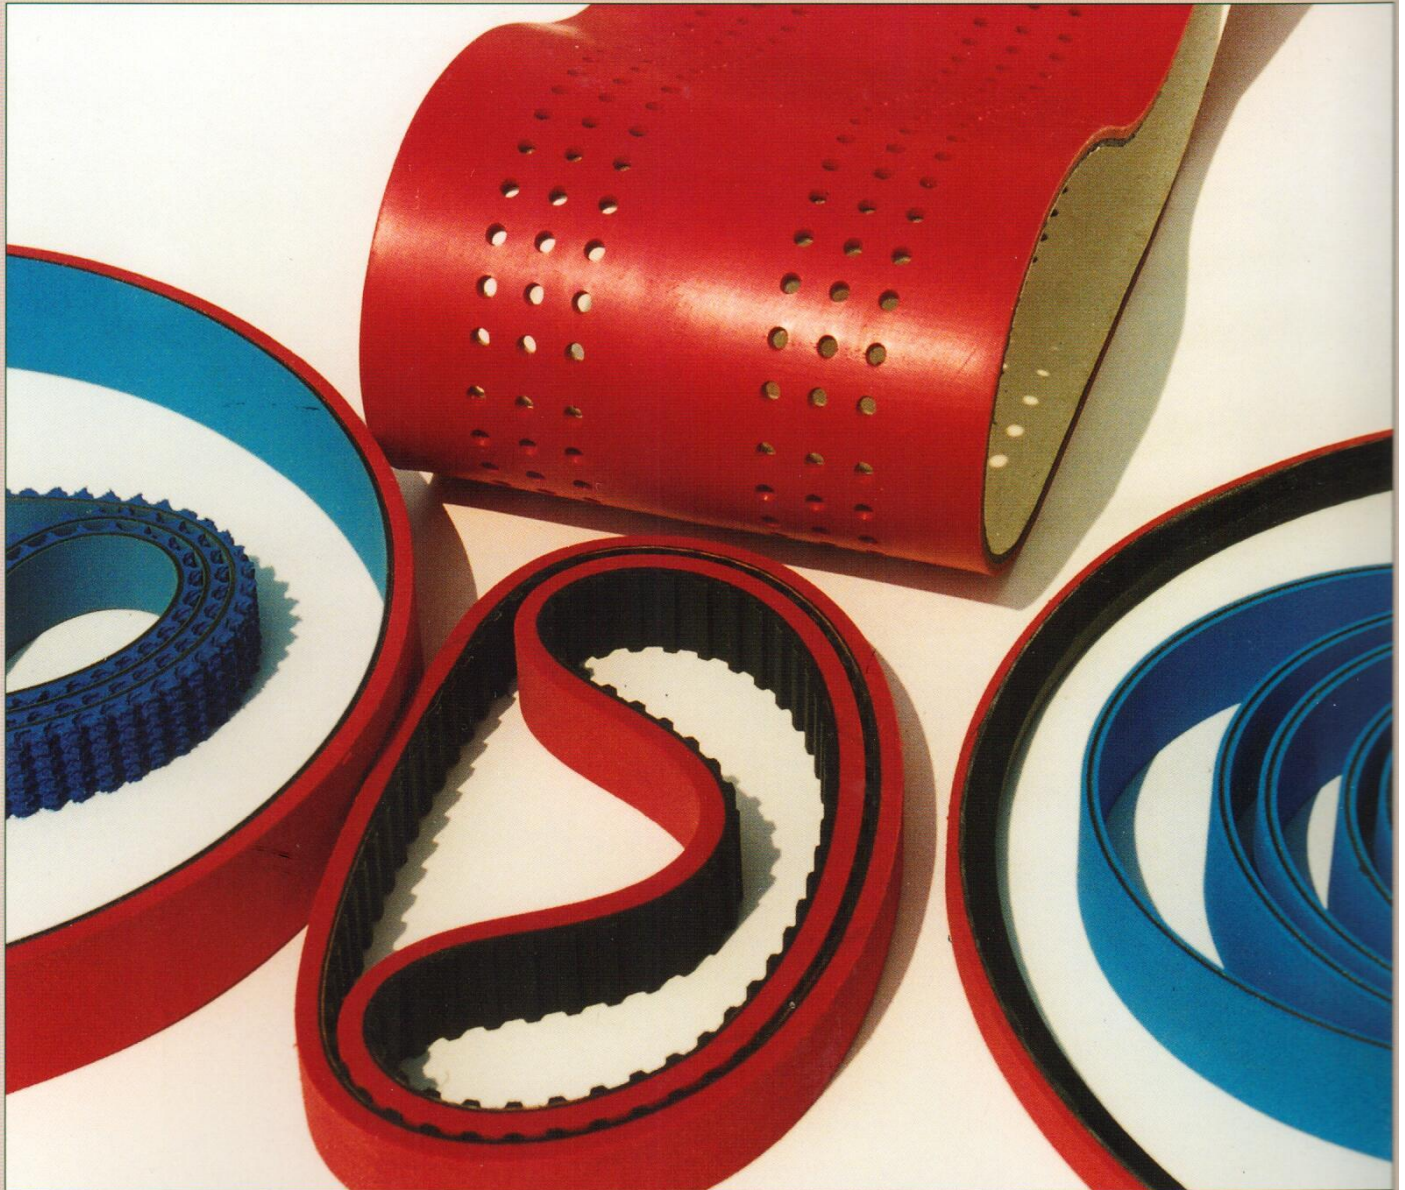

- Perforated vacuum belts.
- Many die patterns available.

- Buna-N, EPDM, Linatex, pure gum, silicone, neoprene, viton, open and closed cell sponge and sponge rubber. Available in sheets, rolls or strips.
- Vinyl strip door curtain.

- Large inventory of timing belt sleeves, slit to your specified widths.

Industries Served:

- Bakeries
- Corrugated & Paper Box
- Material Handling
- Meat & Food (FDA & USDA)
- Milling
- Printing
- Packaging

Belt Types:

- Conveyor Chain & Plastic Belting
- Posi-Track Belt Systems
- Food Handling- Rubber, PVC Polyester, Urethane
- Incline- Roughtop, Z-top Wedgegrip, Rubber
- Perforated Vacuum Belts
- Transmission- Nylon Core
- Endless Belts -Hot & Cold Vulcanized, Lap & Finger Spliced
- Printing Tapes- Elastic & Nylon Core
- Urethane Round Belts
- Urethane Timing Belts
- Urethane Quick Fix Belts

Specialty Fabrications:

- Die Cutting- Sponge or Rubber
- Pulleys Rubber Covered
- Rubber to Steel Bonding
- V-Belt & Timing Belts Rubber or Sponge Covered
- Feeder Belts- Linatex Covered

Other Products:

- Clear & Braided Food Grade PVC Tubing
- Flexco/ Clipper Belt Fasteners & Tools
- Sheet Rubber- Linatex, Neoprene, White FDA, Nitrile & Silicone
- UHMW Guide Rails & Wear Strips
- Vinyl (PVC) Strip Door Curtain
- Vinyl & Rubber Floor Matting
